**Email:** [jatin27yadav@gmail.com](mailto:jatin27yadav@gmail.com)

**Leetcode:** [leetcode.com/jatinyadav2708](https://leetcode.com/jatinyadav2708)

**Projects:** [github.com/jatiinyadav](https://github.com/jatiinyadav)

**Portfolio:** [jatiinyadav.github.io](https://jatiinyadav.github.io)

**LinkedIn:** [linkedin.com/in/jatiinyadav](https://linkedin.com/in/jatiinyadav)

## SKILLS

---

- **Languages:** Java, JavaScript, HTML, CSS/Sass
- **Libraries/Frameworks:** NodeJS, ReactJS, NextJS, ExpressJS
- **Tools:** MongoDB, Git, Github, Visual Studio Code

## WORK EXPERIENCE

---

### Open Source Contributor - DevScript Winter of Code

- A 2 Months Open Source Program organized by DevScript where I worked as a Frontend Developer.
- Contributed to project **Rescue** (A Women's Safety Website) and made it to the **Top 30** Contributors.

### Hackathon - GDSC Week of Wonders

- Made a website that contained necessary and relevant information about Mysuru, Karnataka Tourism.
- Collaborated with my college seniors and came up with an optimized solution to the problem statement.

### Project Maintainer - Hacktoberfest 2021

- Managed 2 Projects and successfully merged **20+** PR's (Pull Requests) and gained **30+** stars.
- Enhanced existing features and added new responsive functionalities to the project repositories.

## PROJECTS

---

### Github Finder - React, Tailwind CSS, Daisy UI

- Developed a web page where you can search Github users and access their public information.
- Used Github API for better results and on the other hand for the User Interface used DaisyUI.

### Books Library - React, Sass (CSS Preprocessor)

- A Books Collection website that consists of classic and prime quality E-Books all free of cost.
- In an Open Source Project, **20+** Contributors collaborated, enhanced & added new functionalities.

### Task Manager - Node, Express, MongoDB

- A simple Web Application for balancing your day-to-day task/work and checking your progress.
- It connects with the database, so your data is being stored and you check whenever you want.

## ACHIEVEMENTS & EXTRACURRICULAR

---

- Became a Postman Student Expert and won a quiz on Postman in my college among **30 +** Participants.
- Campus Ambassador at Developer Student Club Weeks Of Wonder and Skillenza Campus Hustler.
- Created various AR effects on Facebook Spark AR Labs having **50K +** Captures and Opens.
- Part of Google Developer Student Clubs (GDSC), ABES Institute of Technology as a Video Editor.
- My team Ranked **1st** in a gaming competition held in my college among **100 +** Participants.

## EDUCATION

---

**ABES Institute of Technology, Ghaziabad**

2019-2023

Bachelor of Technology (B.Tech) in Computer Science and Engineering
